“ In a year filled with uncertainty, the only thing certain was our resolve to continue our fight to lessen the hunger burden in the pandemic. During this testing times, I'd really like to thank all our donors, our volunteers, members of Rotibank and Mr. Sushil Jiwrajka (Trustee), Dr. S. Natrajan (Trustee) and other Rotibank Branch heads for daring to work during this COVID-19 situation and risking their lives in the bargain. I am very proud of their selfless service and risk taking nature. Not only has this been a trying time but has also been a time where we have registered more than 800% growth compared to 2019 and this is all because of the generosity of our well wishers and donors.

- D. Sivanandhan, Managing Trustee

PLAN AHEAD OF 2021

We are extremely delighted to inform you that with your help and support, we were able to surpass our goal of serving more than 2 million meals, serving more than 4 Million meals in the year 2020 and as we enter the upcoming year 2021, we wish to improve and increase our reach with the same enthusiasm and commitment.

HOW TO CREATE A NEW YEAR'S RESOLUTION FOR A HUNGER FREE WORLD ?

Every year we all make a new year's resolution to accomplish certain personal goals, this year we can add an additional goal to 'Reduce wastage of food on an individual level'.

“The ‘hunger virus’ kills about 8000 children a day and the vaccine for it exists, it’s called ‘food’. The steps to achieve this goal are presented in the form of the simple infographic.

We believe that these small steps if executed correctly can make a huge difference and If we take care of the basic necessity of a wholesome meal of poor and underprivileged children, we may just give them a chance to shape a better future for themselves.

SHOP SMART

- Buy perishable items like fruits, veggies, and dairy in small quantities.
- Processed food, if not consumed within the expiry limit can lead to huge wastage.

- If an item appears frequently on that list avoid buying it in large quantities.

EAT THOSE LEFTOVERS

- Discarding leftover food can lead to a huge wastage of food all over the world.
- Eating leftover food is completely safe and tastes as tasty as a freshly prepared meal.

AWARENESS IS KEY

- The best way to end world hunger is to learn about the cause.

OUR PARTNERS THROUGH THIS BATTLE

5 WAYS YOU CAN CONTRIBUTE

If our cause of hunger elimination moves your core and urges you to help out, here's how you can be a part of the Roti Bank movement.

Donate Food: Roti Bank has a dedicated number which can be reached for donating food, whether it is from a canteen, corporate office, wedding, party or any place where excess usable food would normally go to waste. At a personal level, excess food from your home could be passed on to your hired help or someone nearby who you can easily access. The joy of serving food yourself is worth experiencing. Call **86555 80001** to donate food.

Tie-ups: In order to provide food daily, we rely on enduring tie-ups. Organisations, schools, mess, hospitals, temples or caterers who would like to donate food to Roti Bank on a regular basis could alliance with us.

Schools and Colleges: We intend to develop a network of zestful youth who share our values and will help in spreading our reach. Students can set up chapters in their institutes and donate their time to our cause. If they wish to, they can join our volunteering team. In addition, engineering students can use their know-how in technology to grow our operations as projects in their curriculum. We would also like to tap into the potential of existing and established student chapters and find synergies to work on.

Donate to the Cause: To make our movement of hunger elimination grow manifold, monetary backing is a boon. Roti Bank Founder, Mr. D. Sivanandhan envisions to serve 20 lakh (2 million) meals in the year 2020, and for that, we need a bigger fleet of vehicles and more personnel to handle the logistics. Your support can go a long way in enabling us to free many more people from the suffocating grip of hunger.

Visit www.rotibankindia.org for more details.

Spread the Word: In case you wish to contribute, but can't in any of the above-mentioned ways, you can still do your bit. A shout out from you on social media and offline would mean a lot to us. If you believe in our cause as much as we do, please make sure to tell as many people as you can. We need everyone to make this a success. Start by sharing our newsletter with your friends!
