

We Are In This Together

With the rise in spread of covid-19 India sees a record strike of more than 1 lakh covid-19 cases per day in the country. During these uncertain times families are suffering through financial crisis, many have lost their jobs in the pandemic and many daily wage workers are finding it difficult to make both ends meet. Throughout the second wave of covid-19 our organization has been taking all the required safety precautions while feeding the people in need. With the help of our generous donors, we are able to provide surplus amounts of meals, one of which is Lions club, Matunga who have been a supporting partner throughout donating 1.3 tons of food grains to cook fresh meals. We would also like to thank and appreciate donors of this month, one of them being Play Games 24x7 Pvt. Ltd. who have donated us a munificent sum.

Development Of Our Own Kitchen

To eliminate hunger and bridge the gap between hunger and excess food, we at Roti bank are continuously upgrading ourselves on a regular basis to deliver our best. One of which is to upgrade our own kitchen where we can cook more number of fresh meals and distribute it to the underprivileged daily. With our newly renovated kitchen located at Chembur, we can now serve food for more than 15,000 people a day. We have also set up a new office, repainted the entire kitchen and have ordered a boiler which will be used to replace the manual gas stove, thereby increasing the productivity on day.

Special Mention -

We like to express our gratitude to the employees of Bharat Diamond Bourse for their efforts and contribution towards the noble cause of eliminating world hunger. We congratulate BDB security and BDB management staff for raising 1.25 lakh each. The money raised will be used to feed nutritious and balanced meals to thousands thereby, spreading happiness and wellbeing among people in need. Once again, we like to thank Bharat Diamond Bourse for its generous contribution as such contribution enables us to do good on a large scale and help us reach more people in need.

A Token Of Appreciation To Our Contributors

The second wave of COVID-19 has once again put the entire country in crisis mode. Due to precautionary restrictions and partial lockdown, people are facing difficulty in making ends meet. Roti Bank believes that people need more help now than ever as a result, we have increased both the quantity and the reach of our distributions. This has been possible only because of the people who have believed in our cause and supported us by contributing efforts, resources and capital. OUR PARTNERS THROUGH THIS BATTLE

5 WAYS YOU CAN CONTRIBUTE

If our cause of hunger elimination moves your core and urges you to help out, here's how you can be a part of the Roti Bank movement.

Donate Food: Roti Bank has a dedicated number which can be reached for donating food, whether it is from a canteen, corporate office, wedding, party or any place where excess usable food would normally go to waste. At a personal level, excess food from your home could be passed on to your hired help or someone nearby who you can easily access. The joy of serving food yourself is worth experiencing. Call **86555 80001** to donate food.

Tie-ups: In order to provide food daily, we rely on enduring tie-ups. Organisations, schools, mess, hospitals, temples or caterers who would like to donate food to Roti Bank on a regular basis could alliance with us.

Schools and Colleges: We intend to develop a network of zestful youth who share our values and will help in spreading our reach. Students can set up chapters in their institutes and donate their time to our cause. If they wish to, they can join our volunteering team. In addition, engineering students can use their know-how in technology to grow our operations as projects in their curriculum. We would also like to tap into the potential of existing and established student chapters and find synergies to work on.

Donate to the Cause: To make our movement of hunger elimination grow manifold, monetary backing is a boon. Roti Bank Founder, Mr. D. Sivanandhan envisions to serve 20 lakh (2 million) meals in the year 2021, and for that, we need a bigger fleet of vehicles and more personnel to handle the logistics. Your support can go a long way in enabling us to free many more people from the suffocating grip of hunger.

Spread the Word: In case you wish to contribute, but can't in any of the above-mentioned ways, you can still do your bit. A shout out from you on social media and offline would mean a lot to us. If you believe in our cause as much as we do, please make sure to tell as many people as you can. We need everyone to make this a success. Start by sharing our newsletter with your friends!
