# ABOUT US

## Who Are We?

Mumbai Roti Bank is a non-profit, hunger relief organization initiated by Roti Foundation Mumbai. We strive to eliminate hunger and malnutrition. Started in December 2017, under the able mentorship of former Director General of Police, Maharashtra, Mr. D. Sivanandhan, we aim to eliminate hunger and malnutrition.

Our NGO functions simply by cooking fresh meals in the Roti Bank Kitchen including resources donated to us and delivering them to thousands of hungry people who live in slums or on the footpath. We daily serve beneficiaries which primarily include school children. We have dedicated helplines, to solve the food crisis by collecting funds, rations, fruits, and vegetables from our donors.

We provide freshly cooked mid-day meals to see that children go to school regularly. We serve freshly cooked meals outside hospitals, destitute homes, educational institutions, cancer centers, in the slums of Mumbai, and various other locations. Our mission is no one should go hungry.

**"We, at Roti Bank, are dreamers of a new India with zero hunger and malnutrition! No Indian should go to sleep with an empty stomach. Let's strive together to have a hunger-free, strong country!.."**

**-D SIVANANDHAN  
(FORMER DGP MAHARASHTRA)**

## OUR ACTIVITIES

### Happy Children's Day!

Children's Day is celebrated on November 14 in India every year to mark the birth anniversary of India's first Prime Minister Pandit Jawaharlal Nehru. His birth anniversary is celebrated as Children's Day in the country as a tribute to his contribution towards the development of the nation and his fondness for children and students. We, at Roti Bank, celebrated children's day with full pomp and enthusiasm. We distributed kheer alongside regular meals to all of our 12000 beneficiaries, whom we love to support and who are like family to us. The joy of sharing and loving binds us all together. Fun, frolic and laughter marked children's day celebration. We at Roti Bank invite everyone to come and support us in our efforts to bring light into the lives of others.

## OUR ACTIVITIES

### Thanks a Ton For The Tonnes!

We are pleased to inform our readers that, Mr. Sunil Datt has a generous quantity of dry ration to Roti Bank. We, at Roti Bank, would like to express our gratitude to Mr. Datt for his massive contribution to our efforts to eradicate world hunger.

Residents of Ashok Tower also donated generous quantities of Rice, Dal, Atta, Oil, and other dry ration on 23rd November 2022 on the occasion of Amavasya.

These newly obtained resources will enable Roti Bank Kitchen to prepare thousands and thousands of fresh and nutritious meals, which will then be distributed among several people who lack daily nutrition. Roti Bank truly appreciates and encourages such gestures made toward the betterment of humanity.

## OUR ACTIVITIES

### Kitchen Visits

On November 18, 26 students from Shishuvan School in Matunga, Mumbai, visited our kitchen facility to understand our operations. These students observed as meals were prepared in our kitchen and moved to various distribution centres. They even visited our distribution location outside Tata and KEM Hospital in Parel. They experienced 'The Joy of Giving' by helping our team in food distribution. These students also enjoyed delicious sheera prepared at our kitchen.

In September, our team interacted with these students about the importance of reducing food wastage and the way Roti Bank functions. These students had collectively donated generous quantities of dry ration to Roti Bank in October.

The month of November was full of our supporters visiting our kitchen facility. We cook up to 12,000 meals every day at our kitchen facility. Our kitchen facility is fully equipped with advanced machinery which requires only 2 people to cook our everyday meals.

## Donate To The Cause

To make our movement of hunger elimination grow manifold, monetary backing is a boon. Roti Bank Founder, Mr. D. Sivanandhan envisions serving as many meals as possible in the year 2022. We have served more than 9.1+ million meals so far, and to increase our reach further more, we need a bigger fleet of vehicles and more personnel to handle the logistics. Your support can go a long way in enabling us to free many more people from the suffocating grip of hunger.
