About Us

WHO ARE WE?

Mumbai Roti Bank is a non-profit, hunger relief organization initiated by Roti Foundation Mumbai. We strive to eliminate hunger and malnutrition. Started in December 2017 under the able mentorship of former Director General of Police, Maharashtra, Mr. D. Sivanandhan, we aim to eliminate hunger and malnutrition.

Our NGO functions simply by cooking fresh meals in the Roti Bank Kitchen including resources donated to us and delivering them to thousands of hungry people who live in slums or on the footpath. We daily serve beneficiaries which primarily include school children. We have dedicated helplines, to solve the food crisis by collecting funds, rations, fruits, and vegetables from our donors.

We provide freshly cooked mid-day meals to see that children go to school regularly. We serve freshly cooked meals outside hospitals, destitute homes, educational institutions, cancer centers, in the slums of Mumbai, and various other locations. Our mission is no one should go hungry.

THROUGH FOUNDER'S PEN

We, at Roti Bank, are dreamers of a new India with zero hunger and malnutrition! No Indian should go to sleep with an empty stomach. Let's strive together to have a hunger-free, strong country!

Our Team

Fundraising event by Little Champs of Ashok Towers

Our young Roti Bank champions who live in Ashok Towers, Parel organised a Charity Fun Fair on 23rd April 2023. These children set up game stalls, conducted art workshops, put up book sale and sold delicious treats. This fundraising event was organised under the guidance of the parents of these children. It was an evening of fun and enjoyment for kids as well as adults. The entire generated funds were contributed to Mumbai Roti Bank.

Team Mumbai Roti Bank appreciates the work of these children. We praise them for all the planning, efforts and showing compassion at such young age. We thank them for the donation and helping us in our cause to feed the underprivileged children. We wish them all the success in coming years.

Thanks a Ton For The Tonnes!

We are pleased to inform our readers that, Ms. Sheela Kumar from Ashok Towers donated a generous quantity of dry ration to Roti Bank. We, at Roti Bank, would like to express our gratitude to Kumar family for this massive contribution to our efforts to eradicate world hunger.

Residents of Ashok Tower also donated around 460 Kgs of Rice, Dal, Atta, Oil, and other dry ration on 20th April 2023 on the occasion of Amavasya.

Our ardent supporter, Aurum Foundation also joined hands with us in our cause by donating 1800 Kgs of dry ration.

We are also grateful to Mr. Manoj Thakkar for the huge donation of 799 Kgs of dry ration on 10th April 2023.

Dr. Archana Jadhav and her team from Dadar donated generous quantity of dry ration on 30th April 2023 to Team Roti Bank.

These newly obtained resources will enable Roti Bank Kitchen to prepare thousands and thousands of fresh and nutritious meals, which will then be distributed among several people who lack daily nutrition. Roti Bank truly appreciates and encourages such gestures made toward the betterment of humanity.

Schoolkids experiencing the Joy of Giving

The students of The Cathedral and John Connon School have been bringing more Rotis than they eat every Saturday in April 2023. Team Roti Bank collects these Rotis and then distributes it among the needy people. A collection box placed within the premises The Cathedral and John Connon School saw a whopping 1,000 Rotis donated on the very first Saturday. This inspired us to keep organizing this Joy of Giving concept—people coming together to hand out food. This is done on every Saturday. Every time our team interacts with school kids their thoughts amaze us. The concept of sharing and caring is developing in these children. We are extremely grateful to the teachers of The Cathedral and John Connon School who motivated the students for this act of kindness.

A step towards healthier India

We at Roti Bank are excited to bring this new initiative on board with the combined efforts of DSM and a significant contribution from Roti Bank. The idea behind this initiative is to create a healthier India and to provide high protein food to those in need in order to reduce the graph of growth and development problems. This project incorporates two concepts:

- 1: Adding NuShakti Powermix for Rice to the Rice cooked and distributed by Roti Bank in Mumbai
- 2: Adding NuShakti Powermix for Atta to the Roti cooked and distributed by Roti Bank in Mumbai

Most people in India eat rice and atta, which are low in vitamins and minerals due to the processing the grains undergo. Polishing of rice removes the fat and micronutrient rice bran layers to produce the commonly consumed white rice. This is estimated to remove, 75-90% of vitamins B1, B3, B6 and E. Fortifying rice provides an opportunity not only to add back the lost micronutrients but to also add other important micronutrients such as iron, zinc, folic acid, and vitamin B12. Similarly, vitamins and minerals can be added to atta as well.

Food distribution on the day of Ambedkar Jayanti

The nation commemorated the memory Dr. B R Ambedkar on April 14th, 2023 on his birthday. Dr. Babasaheb Ambedkar, was an economist, politician, and social reformer who fought for the rights of the Dalit community. A principal architect of the Constitution of India, Ambedkar also advocated for women's rights and labours' rights.

Ahead of the Ambedkar Jayanti, thousands of followers of Dr. B. R. Ambedkar gather at Mumbai's Dadar and Shivaji Park area to mark the day . To help managing the large crowd, many volunteers and police constables are present. Team Roti Bank made certain to assist the police officers and volunteers who were assisting the crowd in the sweltering heat by providing freshly cooked nutritious meals.
