They were particularly intrigued by our strict hygiene standards, which ensure the safety and nutrition of the meals we provide to those in need. Our experienced kitchen staff patiently explained each step of the meal preparation process, from ingredient selection to cooking techniques.

Impressed by the organization and coordination required for large-scale meal production, the students quickly grasped the significance of teamwork and efficiency in ensuring meals reach the most vulnerable. Eager to contribute, they accompanied our team to all the distribution centers from 29th February till 6th March.

At the distribution center, the students' eyes reflected empathy and anticipation, knowing they were about to make a meaningful contribution to alleviating hunger. They wholeheartedly embraced "The Joy of Giving" by selflessly dedicating their time and energy to support our team.
