# ABOUT US

## Roti Bank

### WHO ARE WE?

Mumbai Roti Bank is a non-profit, hunger relief organization initiated by Roti Foundation Mumbai. We strive to eliminate hunger and malnutrition. Started in December 2017 under the able mentorship of former Director General of Police, Maharashtra, Mr. D. Sivanandhan, we aim to eliminate hunger and malnutrition. Our NGO functions simply by cooking fresh meals in the Roti Bank Kitchen including resources donated to us and delivering them to thousands of hungry people who live in slums or on the footpath. We daily serve beneficiaries which primarily include school children. We have dedicated helplines, to solve the food crisis by collecting funds, rations, fruits, and vegetables from our donors.

We provide freshly cooked mid-day meals to see that children go to school regularly. We serve freshly cooked meals outside hospitals, destitute homes, educational institutions, cancer centers, in the slums of Mumbai, and various other locations. Our mission is no one should go hungry.

### THROUGH FOUNDER'S PEN

*We, at Roti Bank, are dreamers of a new India with zero hunger and malnutrition! No Indian should go to sleep with an empty stomach. Let's strive together to have a hunger-free, strong country!*

*-Mr. D. Sivanandhan  
(Former DGP Maharashtra)*

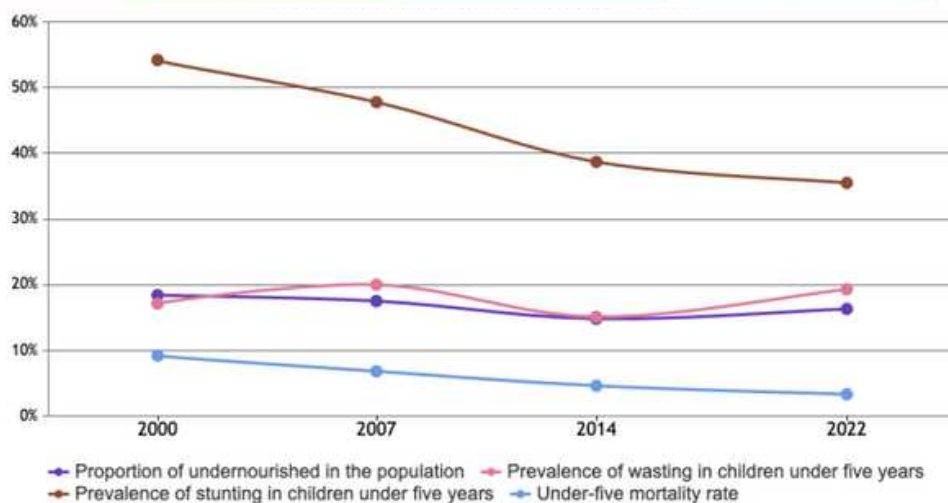

# WORLD HUNGER VS ROTI BANK

In the 2022 Global Hunger Index, India ranks **107th out of 121** countries with sufficient data to calculate 2022 GHI scores. With a score of **29.1**, India has a level of hunger that is **serious**.

## TREND FOR INDICATOR VALUES- INDIA

The Global Hunger Index (GHI) is a tool for comprehensively measuring and tracking hunger at global, regional, and national levels. The index is jointly released by Concern Worldwide and Welthungerhilfe every October. The Hunger Index measures countries' performance on four component indicators – undernourishment, child wasting, child stunting and child mortality. GHI ranks countries on a 100-point scale, with 0 representing zero/no hunger. The 2022 Global Hunger Index is the 17th edition of the Hunger Index (since 2006).

India has slipped 6 positions from its 2021 rank of 101. According to the latest data, India has the highest child-wasting rate of all countries covered in the GHI. India has seen improvement in child stunting and child mortality. Child stunting has declined from 38.7% to 35.5%. Child mortality has also dropped from 4.6% to 3.3%.

India's performance in undernourishment – The prevalence of undernourishment has also risen in the country from 14.6% in 2018-2020 to 16.3% in 2019-2021. India's performance in child wasting – India's child wasting rate (low weight for height), at 19.3%, is worse than the levels recorded in 2014 (15.1%) and even 2000 (17.15%).

# SHARING Dussehra SNACKS

In the month of October, we all celebrate Dussehra, also known as Vijayadashami. It is a festival held at the end of Navaratri. Vijayadashami is observed for different reasons and celebrated differently in various parts of the India. Dussehra is celebrated as a symbol of good achieving victory over evil. This year, Roti Bank celebrated the occasion by serving kheer along with the meals to all of our 11,000 beneficiaries. Taking us one step closer to our goal of eliminating hunger in the country.

HAPPY DIWALI  
FESTIVAL OF LIGHTS

# SPREADING Diwali JOY

The month of October brought us a lot of happiness and joy, as we celebrated the holiday season with our families and loved ones. Diwali was one of the festivals. Diwali is also known as the Light Festival. It represents the spiritual triumph of light over darkness, of good over evil, of knowledge over ignorance. The festival of lights is marked by a family gathering with all of our loved ones. This year, Roti Bank celebrated this occasion by distributing kheer alongside regular meals to all of our 12k beneficiaries, whom we love to support and who are like family to us. The joy of sharing and loving binds us all together. We at Roti Bank invite everyone to come and support us in our efforts to bring light into the lives of others.
