SOCIAL MEDIA SUPPORT

5 WAYS YOU CAN CONTRIBUTE

If our cause of hunger elimination moves your core and urges you to help out, here's how you can be a part of the Roti Bank movement.

Donate Food: Roti Bank has a dedicated number which can be reached for donating food, whether it is from a canteen, corporate office, wedding, party or any place where excess usable food would normally go to waste. At a personal level, excess food from your home could be passed on to your hired help or someone nearby who you can easily access. The joy of serving food yourself is worth experiencing. Call **86555 80001** to donate food.

Tie-ups: In order to provide food daily, we rely on enduring tie-ups. Organisations, schools, mess, hospitals, temples or caterers who would like to donate food to Roti Bank on a regular basis could alliance with us.

Schools and Colleges: We intend to develop a network of zestful youth who share our values and will help in spreading our reach. Students can set up chapters in their institutes and donate their time to our cause. If they wish to, they can join our volunteering team. In addition, engineering students can use their know-how in technology to grow our operations as projects in their curriculum. We would also like to tap into the potential of existing and established student chapters and find synergies to work on.

Donate to the Cause: To make our movement of hunger elimination grow manifold, monetary backing is a boon. Donations received will help us reach more people every day as well as keep our day-to-day operations running smoothly. Roti Bank Founder, Mr. D. Sivanandhan envisions to serve 20 lakh (2 million) meals in the year 2020, and for that, we need a bigger fleet of vehicles and more personnel to handle the logistics. Your support can go a long way in enabling us to free many more people from the suffocating grip of hunger.

Spread the Word: In case you wish to contribute, but can't in any of the above-mentioned ways, you can still do your bit. A shout out from you on social media and offline would mean a lot to us. If you believe in our cause as much as we do, please make sure to tell as many people as you can. We need everyone to make this a success. Start by sharing our newsletter with your friends!
