Konkan Railway's Generous Contribution Strengthens Hunger Relief Efforts

Konkan Railway Corporation Limited (KRCL) extended exceptional support by donating **8,940 kg of ration worth ₹5 lakh**, significantly strengthening our hunger mitigation initiatives. This generous contribution enabled us to reach thousands of beneficiaries across multiple locations, ensuring continued access to nutritious meals for the underprivileged. KRCL's commitment to community welfare highlights the powerful impact of institutional partnerships in addressing social challenges.

We are deeply grateful to **Shri Santosh Kumar Jha**, Chairman and Managing Director of KRCL, and the entire KRCL team for this meaningful gesture. Our Managing Trustee, Mr. D. Sivanandhan was earlier invited to KRCL to speak on women's safety and Roti Bank's work as part of their Management Insight Programme. We look forward to continuing and strengthening this valuable partnership in the years to come, working together to combat hunger, promote social awareness, and create a lasting positive impact.

A Day with PCGT Interns in Our Kitchen

The Public Concern for Governance Trust (PCGT), a Mumbai-based registered organization, was established in April 2002 by three visionary leaders: the late Mr. B. G. Deshmukh, Mr. J. F. Ribeiro, and Dr. R. K. Anand.

On December 22nd, our kitchen facility and distribution center warmly welcomed 16 enthusiastic PCGT interns. The visit, initially planned to offer insights into our operational processes and meal preparation techniques, turned into a deeply moving experience of compassion and generosity. At the distribution center, the interns' faces reflected empathy and anticipation as they prepared to play an active role in alleviating hunger. Embracing "The Joy of Giving," they selflessly devoted their time and energy to supporting our team.

We extend our sincere gratitude to Ms. Rashna and PCGT for orchestrating this visit, which not only provided a meaningful learning experience for the students but also underscored the profound impact of collaboration and empathy in creating a more caring and equitable society.

Testimonial

The visit to Roti Bank and the food distribution outside KEM Hospital was a very good experience. It was something I had never done before, and it made me feel happy and satisfied to help people. It was heartwarming to see the impact of this on the people, they were happy and thanked us in the end. I also learned about the work and functioning of Roti Bank and how we can also donate during our birthdays and other occasions. It was a meaningful and enjoyable experience, and I would love to do it again.

-Abhaa

It was really exciting to visit the kitchen and see how the food is prepared in such large quantities. We also met the head chef at the foundation who showed us the machines and processes followed. Distributing the food was a lovely experience as we got to witness the first hand impact that the initiative was having on people who were in need. Serving the people and seeing the gratitude on their faces was a surreal experience. Definitely would love to do it again
